

My Fellow Volunteer,

Thank you so much for your interest in the Junior League of High Point. We certainly hope that you will consider joining us as we work together to make High Point a better place to live and work. The Association of Junior League International, Inc. reaches out to women of all races, religions, and national origins who demonstrate an interest in and commitment to voluntarism. We are committed to this concept as well. Our mission is to develop the potential of women, promote voluntarism and improve the community through the effective action and leadership of trained volunteers.

Below you will find an application for admission into the League. This application is just a formality, but one that has been part of the League for years. If you would like to become a member of the next Provisional class, starting in January, please fill out and return the application with your membership dues (\$140) to the Junior League office by December 1, 2011. If you have any questions, please feel free to contact us.

Thank you for considering membership in the Junior League of High Point!

Sincerely,

Meredith Covington & Emily Thiel
